He has performed in all 50 states and 44 countries, including in 1987 for Saint Pope John Paul II. Tony presents his message of hope, encouragement, inspiration and faith, with both the young and old, through his music and personal life stories. Bring your family and friends to this free event.

Concert for Hope takes "Carnegie Hall" into prisons, VA hospitals, homeless shelters, and inner-city schools, anywhere Eric's music can uplift the human spirit. The reaction to his music is most often spoken of as hope, especially by men and women who are in maximum-security prisons. Eric never says "no" when asked to perform in these venues, often at a loss.
