

St. Francis of Assisi Catholic Church

2746 Fifth Street – Castle Rock

Monday July 26th at 7pm following the 6pm Mass

Tony was born without arms and at the age of 16, taught himself how to play the guitar with his toes. As he grew proficient playing the guitar, he also became an amazing singer and composer. He has performed in all 50 states and 44 countries, including in 1987 for Saint Pope John Paul II. Tony presents his message of hope, encouragement, inspiration and faith, with both the young and old, through his music and personal life stories. We are blessed to have him at our church. Please bring your family and friends to this free event.

“I can’t explain why people have been moved to tears, as my feet slowly apply pressure to the face and neck of my guitar something happens. For as long as I could remember these toes of mine have been like fingers. God somehow has blessed me with music and the desire to persevere.” ~Tony

Tony will be participating in the 24th annual conference of The St. Thomas Aquinas Society July 28-Aug 1 in Colorado Springs. For more information visit www.stthomasaquinassociety.org. 719-448-0020
